Circulation More Than 1,000 Daily.

The Business Way!

The business way to advertise is to take space by the wear, take pains with your advertisements in making them attractive, and change them at least as often as once a month. You may think there are seasons when you don't need to advertise.

time.
Use the dull seasons for looking over your stock and running off that which is becoming out of style or unfashionable, and giving bar-

gains.

If you have space by the
year, it costs you no more,
and you can make it profitable by converting unsalable
goods into money, and reinresting the money in those
things which are salable.

Greensburg (Ind.) Review.—During the last sampaign the Democrats of this city diplayed banner in their processions bearing this in-certains.

FOR GROVER CLEVELAND AND GET \$1 25 A SUSHEL FOR YOUR WHEAT.

A liberal reward will be paid for that bann at this office, and no questions asked.

Is there could be no session of Congress inside of two or three years the business of the country would revive fast enough. This is an evidence that the people are governed too much.

THE attempt of Democratic organs to beittite the recent Republican victories by deciaring that they were due to local-causes only convicts the Democratic party of being hopelessly wrongheaded on all sorts of issues.

THE same Democratic Adm. nistration hich has dedicated the Stars and Stripes the cause of a corrupt monarchy and dissointe woman in Hawaii is waging crasade against Union pensioners and merican workingmen.

ONE of the greatest features of stag-tion in the country at this time is the newy stagnation. Currency has been swn from hiding places and is now dup in financial centers and ti sank-know not what to do with it. Yet are bold there is a scarcily of currency of a pressing demand for the issue of id-cat notes to meet the wants of trade.
